

Jimmy and Bobby

Brieve Morison

JJJJimmy can't keep his feet on the floor  
BBBBobby he can't hold any more  
Drinking after time  
Someone's bound to draw the line  
Not making any noise keeping a low light  
'Cause the cops are edgy tonight  
The cops are edgy tonight  
The cops are edgy tonight

It's just another Saturday night  
Hard week gone 'nother coming alright  
Just having fun not harming anyone  
Gonna mix a little bitter with the light  
'Cause the cops are edgy tonight Jimmy  
The cops are edgy tonight Bobby  
Tonight

JJJJimmy he can't afford the clubs  
As for Bobby it's the only night he does  
Get a little tight reach the dizzy heights  
Tonight he got the knock out in a ten to one fight  
'Cause the cops are edgy tonight Jimmy  
The cops are edgy tonight Bobby  
To night

Sped round the corner to a cheer from the crowd  
Jimmy and Bobby didn't hear it too loud  
Going down the station it's a ten minute drive  
I wonder what kind of state they'll be in when they arrive  
'Cause the cops are edgy tonight
